ERISA Notices 10

Harbor View Consulting strives to provide you and your family with a comprehensive and valuable benefits package.

We want to make sure you are getting the most out of our benefits—that is why we have put together this Enrollment / Open Enrollment Guide.
Open enrollment is a brief period each year when you can update your current benefits. This guide will outline all the different benefit offers, so you can identify which offerings are best for you and your family.

Elections you make during open enrollment will become effective on February 1, 2026. If you are a new employee, your benefits will be effective first of the month following your date of hire. If you have questions about any of the benefits mentioned in this guide, please do not hesitate to reach out to our broker, **THE BENEFICENT GROUP**:

Evelyn Torbit

443.739.9878

ETorbit@wearebeneficent.com

Who Is Eligible?

If you are a full-time employee at Harbor View Consulting. you are eligible to enroll in the benefits outlined in this guide. Full-time employees are those who work 30 or more hours per week. In addition, the following family members are eligible for medical, dental and vision coverage:

- Spouses
- Children under age 26

Pick the best benefits for you and your Family.

How to Enroll

Are you ready to enroll? The first step is to review this guide to understand the options available. Did you move recently or get married? Be sure to use your most up to date personal information when it is time to make your benefit elections. The decisions you make during open enrollment can have a significant impact on your life and finances, so it is important to weigh your options carefully. See page 5.

How to Make Changes

Unless you experience a life-changing qualifying event, you cannot update your benefits until the next open enrollment period. See page 5. Qualifying events include things like:

- Marriage, divorce, or legal separation
- Birth or adoption of a child
- Change in child's dependent status
- Death of a spouse, child, or other qualified dependent
- Change in residence
- Change in employment status or a change in coverage under another employer-sponsored plan

HARBOR VIEW CONSULTING

CareFirst

HSA HMO vs. Traditional HMO?	
Health Savings Account Plan (HSA) You pay more out-of-pocket initially before the insurance starts covering significant costs. The triple tax benefits are attractive for long-term savings and reducing taxable income. You decide when and how to use your HSA funds for qualified expenses. You can also invest HSA funds and let them grow tax-free for future healthcare needs, including retirement. This is a regional plan servicing Maryland, DC and Northern Virginia.	The Traditional plan offers more predictable, lower immediate out-of-pocket costs but comes with a higher deductible and costs if services provided in a hospital setting. It is regional plan servicing Maryland, DC and Northern Virginia. They suit those who expect frequent routine medical needs and prefer cost certainty.

Health Savings Accounts (only available with the HSA plans)

Health savings accounts (HSAs) are a fantastic way to save money and budget for qualified medical expenses. HSAs are tax-advantaged savings accounts that accompany high-deductible health plans (HDHPs). HDHPs offer lower monthly premiums in exchange for a higher deductible (the amount you pay before insurance kicks in).

What are the benefits of an HSA?

There are many benefits of using an HSA, including the following:

- It saves you money. HDHPs have lower monthly premiums, meaning less money is being taken out of your paycheck.
- It is portable. The money in your HSA is carried over from year to year and is yours to keep, even if you leave the company.
- It is a tax-saver. HSA contributions are made with pre-tax dollars. Since your taxable income is decreased by your contributions, you'll pay less in taxes.

The maximum amount that you can contribute to an HSA in 2025 is $4,300 for individual coverage and $8,5500 for family coverage. In 2026, it increases to $4,400 for individual coverage and $8,750 for family coverage.

Additionally, if you are age 55 or older, you may make an additional "catch-up" contribution of $1,000. You may change your contribution at any time throughout the year as long as you don't exceed the annual maximum.

Medical Plan Options

Harbor View Consulting will be offering three medical plans, allowing you to select the plan that best suits your family's needs. *All three are open access,* so no need to secure a referral from one provider to another. This allows for quicker and more convenient access to specialty physicians. The National HSA plan s only available to EMPLOYEES OUTSIDE OF THE MD, DC and AND Northern VA service area.

Services	BlueChoice Advantage National HSA $3,400 **Out of State Employees Only**	BlueChoice HMO HSA $3,400 **MD, DC and NoVa Employees**	BlueChoice HMO $6,900 **MD, DC and NoVa Employees**

HARBOR VIEW CONSULTING

Dental and Vision

In addition to protecting your smile, dental insurance helps pay for dental care and usually includes regular checkups, cleanings, and X-rays. Several studies suggest that oral diseases, such as periodontitis (gum disease), can affect other areas of your body, including your heart. Receiving regular dental care can protect you and your family from the high cost of dental disease and surgery.

The following chart outlines the dental benefits HVC offers.

Type of service	Amount In Network
Preventive Services	Exams, cleanings, X-rays—Covered at 100%
Deductible	Applies to basic and major services only— $25 Individual / $75 Family
Basic & Major Surgical Services	Fillings, simple extractions, periodontal services, endodontic (root canal) services—Covered at 80% up to the plan max
Major Services Restorative	Crowns, dentures, bridges, implants (subject to medical necessity review, once per 60 months)—Covered at 50% up to the plan max
Orthodontia (child only)	50% to $1,200 maximum (not included in the annual maximum)
Annual Maximum	$1,500

Vision Insurance

Driving to work, reading a news article, and watching TV are all activities you likely perform every day. Your ability to do all these activities, though, depends on your vision and eye health. Vision insurance can help you maintain your vision as well as detect various health problems.

Our policy covers routine eye exams and other procedures and provides discounts for the purchase of eyeglasses and contact lenses. Benefits include the following:

- 12-month benefit period for exams and lenses. 12-month for Frames.
- Routine vision exams for a $0 copay. Materials: $20 copay.
- $0 copay for over 200 frames in the Davis Vision Collection.
- Non-collection frames: plan pays up to $130 of the wholesale cost, you pay the balance.
- Contact lenses: plan pays up to $130, you pay the balance unless medically necessary.
- Scratch resistant coating at no cost to you!
- Blue Light Coating - $15 / Ultraviolet coating - $12

Your Cost

Harbor View Consulting pays 100% of the employee's premium for medical, dental and vision. You can add your dependents at the cost below. To determine your total bi-monthly pretax medical deduction for all family members: Select each dependents age & rate then combine.

Your Path to Savings: In-Network Providers

With the BlueChoice HMO plans, your care is covered when you see doctors and hospitals within the BlueChoice regional network spanning Maryland, DC, and Northern Virginia. In-network providers follow CareFirst's set prices (Allowed Benefit). If you use out-of-network providers, they can charge you more, and your plan generally *won't cover it.* Out-of-network care *is* covered at the in-network level *if it is for life or limb threatening emergencies*. To ensure you stay in network, use the steps below to search for a provider:

Step 1: Visit carefirst.com.

Step 2: Scroll to the bottom of the page under "Find a Doctor".

Step 3: Select "Search for Care,"

Step 4: Continue as a Guest or login if you already have an account.

Step 5: *For Medical,* enter your location, select the "BlueChoice" or "BlueChoice Advantage" (for out of state employees) network.

For Dental, enter your location, select the "BlueDental Plus" network.

For Vision, enter your location, select the "BlueVision Plus" network.

Step 5: Enter provider name or search by category.

Step 6: Use the sort options on the top and right-hand side of the page to narrow your results.

If you'd like personalized help finding in-network providers, The Beneficent Group is ready and happy to assist. Please don't hesitate to get in touch:

MD State Continuation Coverage

Maryland law requires continuation coverage for an individual whose employer group has fewer than 20 employees. The law requires insurers, nonprofit health service plans, and health maintenance organizations (HMO's) to offer continuation coverage to individuals who lose group membership through three events: involuntary termination of employment, death, or divorce.

An individual must meet the requirements to qualify for continuation coverage. Different requirements apply to each event that results in loss of group membership. Under all continuation laws, the person continuing coverage must pay the full amount of the premium, including the portion formerly paid by the employer. There may also be an administrative fee added to the premium.

Continuation coverage is always made available without evidence of insurability. Usually, a form is filed with the employer indicating that the person is eligible to, and wants to, continue coverage. The effective date of coverage is the date of the event that causes loss of group membership. The benefits provided are the same as those provided to other members of the group. Coverage terminates after a fixed period or on the occurrence of a subsequent event. Failure to make timely payments for coverage also would result in its termination.

Individuals who have health insurance through group membership and who may lose group membership through termination of employment, death, or divorce, should read the provisions governing continuation that are part of the contract between the group policyholder (the employer) and the issuer of the health insurance coverage, as well as Maryland law and regulations, in their entirety. Text of the law is available at www.mlis.state.md.us. Text of the regulations is available through the home page of the Maryland Secretary of State, Division of State Documents at www.dsd.state.md.us.

NOTICE OF RIGHTS UNDER WOMEN'S HEALTH AND CANCER RIGHTS ACT (WHCRA)

Do you know that your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema? Contact your Employer Representative for more information.
If you have had or are going to have a mastectomy, you may be entitled to certain benefits, under the Women's Health and Cancer Rights Act of 1998 (WHCRA).

For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedemas.

These benefits will be provided subject to the same deductible and co-insurance particulars that are applicable to other medical and surgical benefits provided under this Plan. For more information or to get a copy of the Summary Plan Description containing these details contact your Employer Representative.

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid of CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.govto find out how to apply. If you qualify, ask your State if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272). If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2018. To see if any other states have added a premium assistance program since January, or for more information on special enrollment rights, contact either:

Contact your State for more information on eligibility –

Health Insurance Marketplace Coverage Options and Your Health Coverage

PART A: General Information
Key parts of the health care law took effect in 2014 and created a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace for a January 1, 2025, effective date have been released. Visit https://www.marylandhealthconnection.gov for the most updated information.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.56% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.

Note: If you purchase a health plan though the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer's contribution (if any) to the employer-offered coverage. Also, this employer contribution-as well as your employee contribution to employer-offered coverage -is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?
For more information about your coverage offered by your employer, please check your summary plan description or contact your HR department. The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

Patient Protection Choice of Provider

In cases where the Group Health Plan allows or requires a participant to designate a primary care provider, the participant has the right to designate any primary care provider who participates in the network and who is available to accept the participant or participant's family members.

Until you make this designation, the Group Health Plan may designate a primary care provider automatically. For information on how to select a primary care provider, and for a list of the participating primary care providers, you can contact your Employer Representative.
For children, you may designate a pediatrician as the primary care provider. You do not need prior authorization from the Group Health Plan or from any other person (including a primary care provider) to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact your Employer Representative.

HIPAA SPECIAL ENROLLMENT RIGHTS NOTICE

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after you or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption. To request special enrollment or obtain more information, contact your Employer Representative.

NEWBORN'S AND MOTHER'S HEALTH PROTECTION ACT

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours if applicable).

PAPERWORK REDUCTION ACT STATEMENT

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512. The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email ebsa.opr@dol.gov and reference the OMB Control Number 1210-0137.
